Program Rules

1. Rules are subject to change at any time.
2. No alcohol, drugs, or tobacco products, including E-cigs and vapor pens. Breaking this rule will result in immediate dismissal.
3. Room Curfew is at 10:00 pm each night and lights out 10:30 pm unless prior approval is granted by the Staff Representative.
4. After completing their first month, each disciple will be allowed one off-campus four-hour family visit per month. Any overnight visits are at the discretion of leadership.
5. It is important for both the parent and their minor child(ren) that relationship and interaction do not cease while you are in this program. Children and parents need consistent interaction to help children process, grow, and thrive through this time of change. Therefore, disciples with minor children will be allowed to have two visits each

month for two hours. Visits must be scheduled at least two weeks apart. The four hours off campus visit each month (after the probationary period) will count as one of the two parent-child visits and can include other family members. If a minor child is in DCF custody, the visitation schedule will be compliant with the foster care case plan.

6. Staff requests for passes/visits must be submitted five days prior to the requested date and time. These must be approved by leadership.
7. Name calling, taunting, threatening tone of voice, verbal abuse, sexual harassment, or violence towards others will not be tolerated at any time.
8. Horse play or physical rough housing will not be allowed as this can lead to unnecessary aggression.
